Cost: Free to £51.80

This short course will introduce you to what is meant by special educational needs and disabilities (SEND). The course will provide an initial understanding of the spectrum of autistic disorders and how they can affect people in a variety of ways, as well as exploring the importance of a person-centred approach to provide support. It's important to be aware of the range of special needs you can encounter when dealing with others. Special needs education courses can help you understand what to expect and how to support all learning needs.
